

**Clifton in Business:**

**Work at Home or From Home?**

**Latest News, January 2014.**

**1.** The new "**Shefford Business Association**" should launch soon; to promote, assist and represent businesses based in Shefford & surrounding areas, including Clifton. This membership organisation will take over Shefford Town Council's online business directory & local business website.

See: <http://www.sheffordopen4business.org>

**2.** "**First Thursdays, Business Networking Group**" at Shefford Library, now runs on the first Thursday of each month, 12.30 to 13.30pm. Intended to help people who work at home or from home, by providing somewhere to meet & discuss common issues. All are welcome, at these free, drop-in, self-help business networking sessions.

**3.** For the moment, I'll maintain my website with its online survey form, information & links to other local sources of business advice & help. This website also gives details about the free online "**Shefford in Business**" social media networking groups.

So do the many businesses people working at home or from home, in largely residential Clifton, want or need anything extra to help our area prosper? Comments welcome, preferably via the online survey form.
